Srinagar (Kashmir) – 190001. India.**

## IMPORTANT NOTE

This catalogue is based on the information provided online by the Indira Gandhi National Center for the Arts, (IGNCA) New Delhi ([www.ignca.nic.in](http://www.ignca.nic.in)). All the manuscripts herein are digitalized by the IGNCA. Interested scholars can also purchase the copies of these manuscripts in the form of digital images provided they get a written permission from the Director, Directorate of Libraries and Museums, Government of Jammu & Kashmir, Srinagar (Kashmir), India.

A Catalogue of this collection was compiled for the first time by Pandit Dinanath Yach & Pandit Srikanth Kaul in the year 1989. A few cyclostyled copies of this catalogue were available for sale (only for some time) from the Jammu & Kashmir Research and Publication Department, Srinagar. Later, B.K. Dembi published a version of it under the title '*Hand list of Sanskrit Manuscripts in the Sanskrkit Manuscripts Library in the Research and Publication Department, Center for Central Asian Studies, University of Kashmir, Srinagar (1989), Vol. I, From A-K*' Dembi's hand-list covers the listing of manuscripts only upto serial number 2035 and is thus incomplete.

The accession number mentioned in this catalogue is the official number as in the collection of the Oriental Research Library, Srinagar. The Manus ID is the identification number given to each manuscript by the IGNCA.
